SUSAN,
GOT ANY MOTHS? JUST KIDDING, HOWS IT GOING BUD? (DONT ANSWER) THIS CLASS IS SUCH A BORE BUT ITS ALMOST OVER, AND SPEAKING OF SUMMER WILL WIII HAVE TO PARTY TOGETHER MOST DEFINITLY, RAGEN, RAD DUDE!
I REALLY WANT TO GET DRUNK AND SEE YOU EAT BUGS FOR CASH AND KNOWING THE POLICE ARE NOW AFTER YOU, WE WILL HAVE TO GET YOU A DISGUISE OR YOU COULD GROW A MUSTACHE OR BEARD, BUT IN THE MEAN TIME CAII ME (420-4719) AND WE WiII PARTY, GET DRUNK AND BEAT UP OLD LADIES FOR KICKS, YOUR BUD.

Paul McKinley

Susan
You camped
glad we
We never did
thing
thought that
it was going
We crashed her
Love
Bradley

Hey I'm so
had classes
do anything
we'll have
we thought
that we
to say
But we
what a life

THE CLASS OF 1986

CLASS SONG:

"BORN TO RUN"
— Bruce Springsteen

CLASS COLORS:

SILVER AND BLUE

CLASS FLOWER:

RED ROSE

CLASS MOTTO:

"It was the best of times, it was the worst of times,
it was the age of wisdom, it was the age of foolishness,
it was the epoch of belief, it was the epoch of incredulity,
it was the season of light, it was the season of darkness,
it was the spring of hope, it was the winter of despair,
we had everything before us, we had nothing before us,
we were all going direct to heaven, we were all going direct the other way."

FACULTY

David Hamilton

Thanks, Mr. Pyle, for 22 great years here at Wheat Ridge.

Sargeant Wallace commands his troops.

"Psst. What's the answer to #17?"

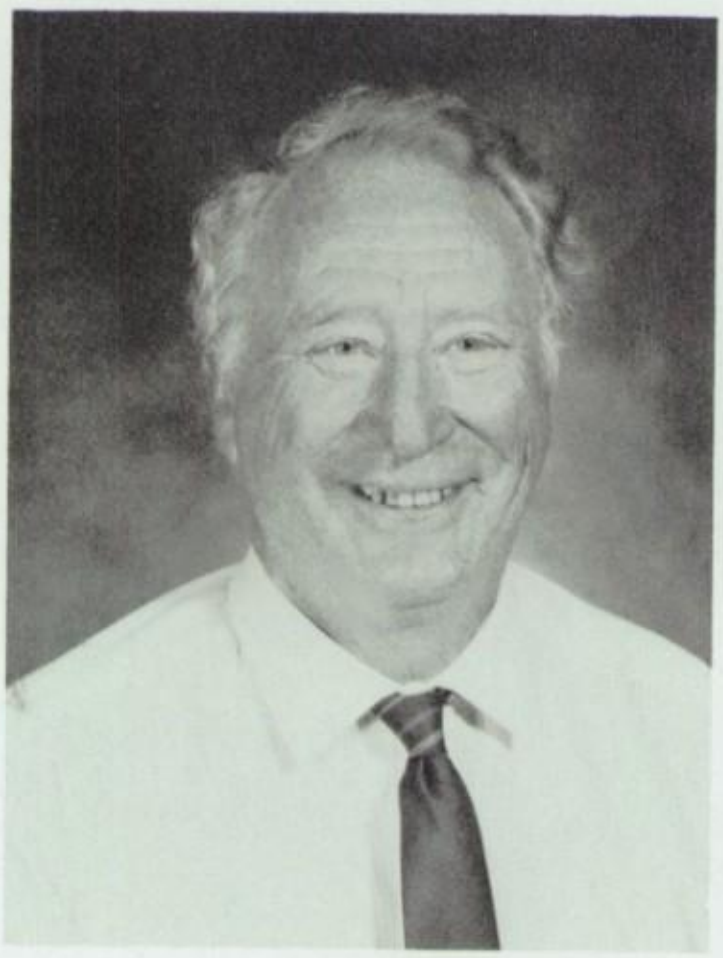
The teachers getting into the spirit of the Homecoming Assembly.

This 1985-1986 school year would not have been as outstanding were it not for the marvelous faculty here at Wheat Ridge High School. We are grateful for the support they have given us in making this year a success. In order to give some insight into these great people, we came up with these questions:

1. What is the car of your dreams?
2. What is your favorite book?
3. Describe your most embarrassing moment.
4. What is your favorite movie?

An asterisk by a teacher's name signifies the head of a department.

ADMINISTRATION



Dale Toft

Principal

1. Mercedes 450 SL. 2. **Atlas Shrug.** *3. Teaching a Biology class at Lakewood Sr., bending over to pick up a piece of chalk, and splitting my pants through the crotch. 4. "Rollerball"*

Suzy,

this has been a really fast year. It seems like it just started a month ago. Pretty soon we'll be ~~back~~ out of school & be, what a friend of mine called, a "lost soul." High School will probably seem easy compared to the real world. Oh well. It was nice having you in Kirk's class & watching you come in late every day & watching Cockley get real pissed off. Sorry - Steve asked me to write small. And it was a real blast having you in Commercial Art & ~~then~~ playing hangman all period long. Well, I guess I will see you next year as Seniors!!!!

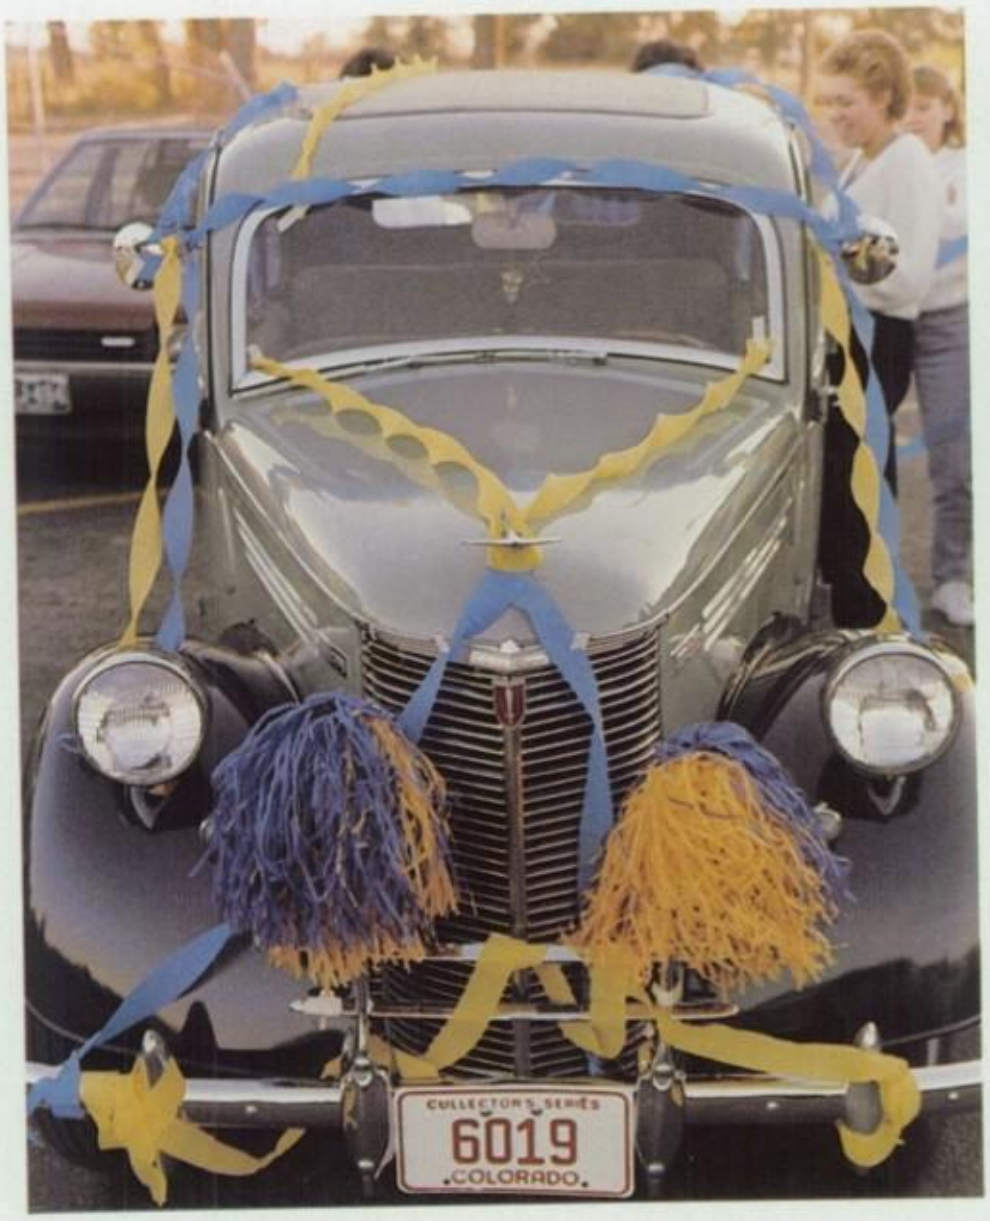
HOMECOMING WEEK



The Wheat Ridge Homecoming theme for this year was a Caribbean Cruise. Senate decorated the cafeteria, transforming it into a panorama of paradise. Sweetness and Company provided music for the formal dance held on Saturday October 5th. Spirit Week ran from September 30 to October 4. Dress up days included "Beach Day", "Safari Day", "Life Preserver Day", "Pajama Day", and "Blue and Gold Day". Flying blue and gold pom pons failed to waver as the Wheat Ridge football team was defeated by Lakewood at Reed Street Stadium. Half time ceremonies included the crowning of Crandall Bates and Charlotte Olde as Homecoming king and queen, and a special performance by the Wheat Ridge High School Marching Band.

BOYS STATE

Cole Grissom, Tim Luke, Scott Richmond, Robert Long.

Both the Boys and Girls Staters attended USC and Mesa College respectively during the early part of June for one week to learn about government procedure, patriotism, and spirit. Delegates were divided into Federalists and Nationalists to represent the two-party system. The delegates were allowed to run for city, county, and state offices. All three girl-staters from WRHS ran and won offices in county and state elections. The attendants at USC did equally well. Bills were written and all attendants received the opportunity to experience what politics is really like. The Wheat Ridge students were all sponsored by the American Legion Auxiliary. Attending Columbine Boys and Girls State was a very special and memorable week for the delegates where not only did they gain an education aout the American government but also met and made friends with juniors from across Colorado.

FOREIGN EXCHANGE STUDENTS IN W.R.H.S.

OSCAR LOBO

Hi! My name is Oscar Alejandro Lobo. I was born June 30th, 1969 in Vina del Mar, Chile. Vina is in the center of the country on the coast. I go to an English school called Colegio Ingles Mackay. I am a senior and a Prefect and Standart Bearer of the British flag in my school. I love sports and I play field hockey, Rugby, and I wind surf in the summer.

I decided to come here to the United States to learn English and to Colorado because some very close friends invited me to stay with them.

I think that Wheat Ridge is a good school with the ups and downs of any school. In my own experience I was lucky because all the subjects I chose are interesting and I am happy with them.

The people in the school are very nice to me. I would like to say thank you to Mr. Toft for accepting me, to the staff who had the patience to guide me, to all my friends who helped me in my school life, and to anybody who at least talked to me at one time because when you are far away from home, it makes you feel great!

EMIKO SANAYAMA AND FRIENDS

In Japan, almost every high school student has to wear the required school uniform. Also, students stay at the classroom all day long except for P.E. and lab. The biggest difference between WR and my school is my school was all girls.

JACQUELINE ADLER

When I found out in November of 1984 that I was going to the United States as a Foreign Exchange Student, I was really excited. I could not imagine speaking English well at the end of the year and at the beginning I had a very hard time understanding people. But now I can see that I have learned a lot and the best way to learn a language is to go to the country and live with a family.

The things that I will always remember about this year are the fun I had on the volleyball team, Fiddler on the Roof, and the many new friends I made, including many exchange students from other countries. In Switzerland we have to attend school from age six to fourteen. There are several different kinds of high schools. You choose a school depending on whether you plan to go to the University or learn a trade. We go to school six days a week and our schedule might include as many as thirteen classes. We have eighteen vacations spread out throughout the year, but most of them are short and the longest one is six weeks in the summer.

FOREIGN FRIENDS

ELISE DIFFORD

Hi! My name is Elise Difford and I am a Junior at Wheat Ridge High School. Last year I was chosen to be an exchange student in Sydney, Australia for five months. I went to Woolooware High School, a school that has an enrollment of 700 students, seventh through twelfth grade. School started at 9:00 am and ended at 3:00. We had to wear uniforms to school which consisted of a navy blue cheerleading skirt, a white polo shirt, short white socks, and black shoes. I lived about a hundred yards from the shore so I partook in many water sports with my familys speedboat. My stay in Australia has provided me with many opportunities and friends that I never would have known otherwise. It is always nice to know that even on the other side of the world you have friends who will always receive you with open arms.

KYLIE GORDON

To the staff and my friends at Wheat Ridge High School. I will always remember the experience of being an exchange student to Colorado and to W.R.H.S.

My American school life was certainly different from what I am used to. It was alot of fun though to participate in school activities and to be on the swim team. Though, more importantly, I will never forget the many friends I made.

Apart from school, I spent some time in Washington, D.C, which was a very interesting place. I also went on several ski trips which proved to be rather humorous, but fun.

Colorado is undoubtedly a very beautiful state and I found the people very warm and friendly. Although I love Australia the most, I will always hold a special place in my heart for America. Kylie Gordon

LEIF JACOBSEN AND COLIN WILLIAMS

Leif Jacobsen, (right on picture) first heard about the Lakewood-Sutherlandshire Sister City Program while still in elementary school. From that point on, his goal was to be selected for the program. He was one of 10 Jefferson County students to participate this year.

Colin Williams, (left) who spent the first semester at Wheat Ridge High School, came from Sylvania High School, Sutherlandshire, New South Wales, Australia. An avid surfer, Colin learned to ski while in Colorado and would like to return to continue skiing. He lived with the Jacobsen family during the first semester.

Leif, who spent the second semester living with Colin's family (near Sydney) found the schools to be very different — everyone wore uniforms!!

W.R.H.S. STUDENTS ABROAD

CARINE PANGBURN

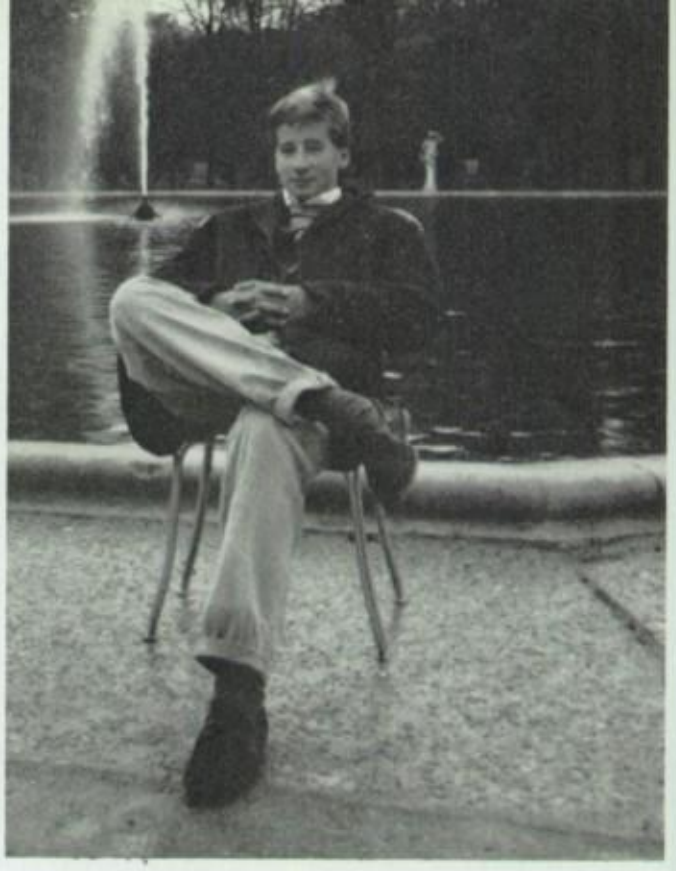
Hi! My name is Carine Pangburn and I am spending my Junior year in the Alps of France.

This has been a great opportunity for me to learn new ways of living but especially to broaden my mind. Being exposed to a different culture makes me feel less judgmental and more accepting of others. I have encountered my new situations like, traveling by train alone, and eating food before I discovered it was brains, pig feet, or porcupine.

My first real challenge came with my first day of school. I was afraid of getting lost and trying to memorize too much. Now I really like my class because everyone all the students stay together throughout the year and get to know each other. Everyone is friendly and I don't see couples dating like I do in the States. Maybe it is due to the fact that teens have to be eighteen years old to drive. Otherwise, the kids go out in bunches to the movies or skiing.

I really enjoy exchanging ways of living. I am not about to forget this unique experience.

Brady and Carine in Paris during a visit to the Louvre.



BRADY WONDRA

Bon Jour. I am in a small french village, Mur de Bretagne, about a four hour train ride west of Paris. It is made up mostly of farmland with occasional forests and a beach which is only 30 minutes away. I live with a family that has a daughter my age. We go to school from 8 am to 5 pm with an hour and a half break for lunch. My classes include French, history, math, science, and Spanish.

My year in France started with three weeks at a french culture and language camp at an old chateau in central France. My French improved rapidly there because my three roommates from Mexico could only speak French and Spanish so I had to communicate in French the very first day. I made many new friend at the language camp. The first thing I missed from home was having Pepsi with ice.

The French take several long vacations. I spent two weeks skiing with my french family in the french alps - in the shadow of Mont Blanc. They don't like to ski when it is cold or in the powder. I am trying to teach them the Colorado style of enjoying the slopes.

It is very exciting to be here - it is very different. Vive la difference. Brady Wondra

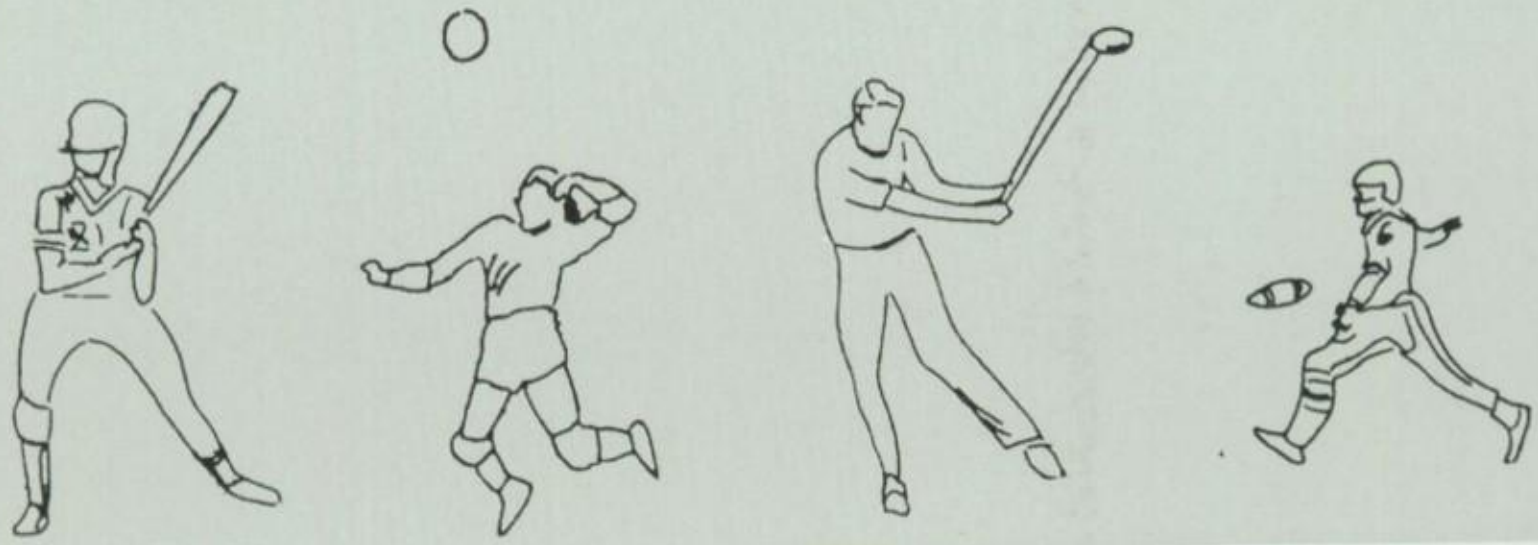
SPORTS '86



The debate of the importance of athletics in high schools has long plagued this country. The latest trend is to de-emphasize sports in high schools and colleges. Some people contend that academics and athletics do not mix. They believe this because many athletes graduate from institutions without a thorough knowledge of the basic fields of study. Does the athletic department at Wheat Ridge High School participate in this belief? Let's take a closer look.

Throughout the years Wheat Ridge has always produced winning teams. The first thing a visitor notices when entering the school through the gymnasium is its massive collection of top athletes, trophies, and state titles — a seemingly over-emphasis on athletics. But the Wheat Ridge athlete represents something quite different. Although it is mandatory for an athlete in Jefferson County to pass all classes before he can participate in a sport, the majority of Wheat Ridge athletes occupy themselves with other extracuricular activities. An unprecedented number are involved in various clubs, music department, and government. But the Wheat Ridge athlete realizes that he must keep up with the rigorous academic courses and extra curricular options, and he somehow finds that he must add yet the extra pressure of sports to his rigorous schedule. He constantly devotes two to three hours a day to practice in order to reach faster times, to jump higher, to reach perfection, and to overcome mental and physical limitations. What makes him different from all other athletes in the state of Colorado is that he is participating in sports not because he is forced to, but because he truly wants to. It is this character of the Wheat Ridge athlete that shows up in all competitions — the will to do better, the will to uphold the tradition of excellence.

The 1985-1986 season added yet another success story for the history pages of Wheat Ridge athletics. Of particular importance were the Girls' Gymnastics state victory, the second place state finish for the Girls' Cross Country Team, and the third place state win for the Girl's Swim Team. It was this excitement and enthusiasm that sparked the optimism for another spectacular season of Farmer sports.

Despite their losing season, the Wheat Ridge varsity football team showed spirit and enthusiasm throughout the season both on and off the field. They started out the season with an impressive and close scoring game against the number one ranked Pomona. The following games, however, proved that Wheat Ridge would not be a threat in the league. Somehow, the varsity team found itself in a rut, and it seemed as if nothing could pull them away from the losing streak. During the last game of the season, the Farmers proved that they still had faith in themselves. Golden led Wheat Ridge for most of the game, but a spectacular catch by James Eule brought the Farmers to their first victory. Looking back on their last game, Coach Stevens felt that their victory over Golden was due to their "never say die" attitude. By the end of the season, the varsity team learned how important teamwork is in football. Leading the team with outstanding performances were sen-

iors Mark Kanger, with an All Conference title, Craig Keim, Shawn Nichols, and Steve Progar. They were assisted by the excellent play of juniors Dan Clay, James Eule, and Kent Grissom, along with sophomores Mike Marcoux and Pat Bullock. Ed Stevens, only in his second year at Wheat Ridge, headed the varsity coaching staff and was assisted by Mitch English and Henry Pettit.

Even though the J.V. team was made up of people from the varsity team, they were undefeated until their last game against Mullen. These victories helped to offset the disappointing season of the varsity team. The J.V. team gave many varsity players a chance to prove themselves who otherwise might not have gotten much playing time.

Last, but not least, is the sophomore team. They started off the season a lot like the varsity team, but they pulled off big wins against division opponents Bear Creek and Lakewood, among others, which gained respect for the team and confidence for the players.

All in all, the '85-'86 football season proved to be a good learning experience which undoubtebly will help in the future.

Emilio Romero's 1986 varsity soccer team kept up Wheat Ridge's fine reputation as the host of many successful soccer teams. They returned this year as the Jefferson County League Champions. "There is nothing more I could want this year," said Coach Romero, "than to win the state championships." This year's team combined the experience of three veterans and the energy of up and coming sophomores. The team, led by co-captains Scott Callender, Tom Plock and Tim Luke, was backed up by starting forwards Mark Biesterfeld and Dave Rye, all-conference goal-keeper Mike Glickman and thirteen other players with multitudes of talent. With all of this potential, however, they struggled early in the season. "Last year we had a little bit more belief in ourselves, and that's why it took us so far. This year, I think it just took us a little longer to believe in ourselves," Coach Romero explained. The team's desire to qualify for the state cham-

"We dominated the whole game but just at the last minute they were fortunate and put the goal in. The whole team was starting to play well and if we would've gotten through there, I think we could've gone a long way," Coach Romero said. Nevertheless, the spirit and fine reputation as a powerful team was upheld in 1986. They finished the season with a respectable 6-4-1 record, ranking fourth in the standings.

The sophomore volleyball team got off to a good start and improved as the season progressed. The coach, Rose Stevens, stressed teamwork because it is a key element in each game. She felt that defense was the team's best quality. This made the difference in many of their matches. The sophomores were the only Wheat Ridge team to defeat the Cougars this year.

This year's junior varsity volleyball team had an excellent season, winning ten out of their fourteen matches. The team of six juniors and five sophomores was led by coach Renee Allen. They attributed their many wins to their strong sense of teamwork and dedication. Starting for the team were left hitters Sharon Crowley and Maria Morris, middle hitters Wende Nocton and Darcie Matson, alternating setters KaKa Gilmore and Brooke Inglee, and right hitter Monica Mathews. Other outstanding players included juniors Courtney Crawford, Shanda Seymour, and Judi Degenhart and sophomores Lorna Dubois. The team began the season by winning all of their games. Ridge. They narrowly lost the next three matches, but they then came-back to beat Arvada, one of their toughest competitors, and the rest of their opponents. At the end of the season, the team realized that in order to win, you must believe in yourself and in your team.

The Farmers' varsity volleyball team had one of their finest seasons. Coach Mary Anderson hoped that this year's team would begin a new winning tradition for Wheat Ridge volleyball. They began the season by winning the first eight matches, but were beaten by long time rival and former league champions, Evergreen. Immediately following their first defeat, the team also lost to Arvada West and to Arvada. They got out of their three game losing streak and moved on to place an impressive second place in a tough eight team tournament. The girls came back to their regular season games, beating Lakewood and Pomona, two high ranked teams, and easily beating Golden. With an impressive record of eleven wins and three losses the girls headed into sub districts, hoping to put an end to the three year dry spell that has kept Wheat Ridge out of state titles. They continued on to districts and were unexpectedly knocked out of the competition by Overland.

The team saw the return of many of last year's strongest players. The starting team was made up of five seniors and one sophomore. Setters were Janet Harty and captain Julie Goeglein. The middle hitter, Caroline Gallagher, was one of the top blockers in the league. Left hitters were Carrie Davis, also a team captain, and sophomore Kristi Wilkinson, Wheat Ridge's best server. Both ranked high in the league standings for kills. Other first string players were Dori Pancost, and Cindy Mateski. The other outstanding players included juniors Melissa McMeel, Shanda Seymour, Gretchen Elmquist and sophomores Monica Mathews and Amie Politano. All of the players worked hard to began the tradition of excellence in volleyball.

As per tradition, the Wheat Ridge cross country teams had outstanding seasons. Their success was the product of hard training each day. Practices averaged ten miles per day, Sunday being the only day set aside for recuperation. This meant that workouts averaged sixty miles a week. There were usually twenty-five to thirty teams at each meet, and competition in the league was stiff. Seniors Jim Blakemore, Jon Urban and John Kirshner, and sophomore Richard Diaz were the top scorers on varsity. For the girls, Polly Schneider, Christi Alexander, Joni Sutton, and Melissa Ayres led the team.

The team had their first chance to size up other teams in the league on the second meet — Divisionals. The girls scored an impressive first and the boys trailed with a second place. Marching ahead, they then won the combined

trophy at Loveland, the first big meet. The Smoky Hill Invitational saw fine performances by many Wheat Ridge runners, many of whom turned in their best times. The boys hit the peak of the season in this meet, posting their best finish. The boys were cursed with bad luck on the day of the League Championships. They finished a disappointing seventh place. The girls, however, ran like Olympians. Polly Schneider, Christy Alexander and Eryn Potempa earned All Conference titles. This was the sixth straight year in which the girls took the League Title. And so the girls team continued on, becoming the only Wheat Ridge team to qualify for state. Coach Brown said, "they ran a great race. They ran their hearts out and should be proud. State runner up is not bad- five out of seven girls ran their fastest time of the year." Looking back on the season, he remarked that they are all a good bunch of kids and they are a fun group to work with.

The girls gymnastics team upheld Wheat Ridges's tradition of excellence this year. Early in the season, Coach Dillinger commented that the whole team seemed to be pulling together, and their corresponding scores showed the difference of the team's spirit. Early in the season, the girls consistently turned in the highest team scores in the state. Even the judges commented on original performances by the Wheat Ridge team on the bars and the floor. After a nearly perfect season, they finished, not surprisingly, with the state title.

At the beginning of the season, the Wheat Ridge team looked as if they would be one of the most promising gymnastics teams in the school's history, and they ranked with the best of Colorado High School's gymnastics teams. Their early successes, however, were put to an end when Bear Creek narrowly beat the Farmers by seven tenths of a point. Although Coach Dillenger knew that

STATE CHAMPS

several untimely injuries hampered the team, she began to reevaluate competition. Wheat Ridge would not have the state title given to them on a silver platter after all. "If we had beaten Bear Creek, I'd say we could take state easily, because right now there's Bear Creek, Broomfield and us. We've beaten Broomfield twice and Broomfield has beaten Bear Creek once, so it's just going to depend on which team hits that day." But the returning gymnasts as well as the new team members greatly added to the depth of the team, because each gymnast specialized in different events. Among the outstanding gymnasts and their events are: Charlotte Forsberg on the beam, Debbie Bowman's floor exercises and Annette Eaker and Lori Olmstead on the vault. The girls surprised the competition at state, as they were the smallest team, but had the greatest performances of all other teams. They narrowly beat out Bear Creek by five one-hundredths of a point. Coach Dillenger said that teamwork and determination added to the success of the team. And as Dillinger put it, "this year they really believe they can do it," and sure enough the team proved that they were the best in Colorado. After three consecutive years of possible state victories, Wheat Ridge is again on top with the 1985 girls gymnastics district and state titles.

Since the beginning of the swimming program in Jefferson County, the Wheat Ridge girls' swim team has won the league title, and this year proved to be no different. It was the eleventh consecutive year the girls took the league championships. They began the season in traditional fashion, first smashing Arvada West, and then they continued to dominate the league as the season progressed.

Although the girls' success was different from preceding years, 1985 saw the debut of coach Mark Collings, who replaced last year's Mary Torren. Coach Collings predicted early in the year that the girls would win the league title and probably take second place at state. Coll-

The girls' softball got off to an impressive start this year. They began the season by defeating the number two and number three ranked teams in the league. Wheat Ridge girls began to think of taking the league title this year, but their hopes were crushed when number one ranked Alameda beat them. Although the team had several all conference players, such as Virginia Willis and Michelle Randall, many other players were denied the title because the team never made it to the league championships. At the beginning of the season, Coach Willis said that she was worried about their hitting and pitching. The 1985 golf team, coached by Ted Wright, put together another great season. Although the team was one of the smallest since Mr. Wright has been coaching, they placed 3rd in the Arvada Invitational, 4th in two tournaments, and 5th in the other meets. Led by captain Bart Brown, they completed the season with a respectable fifth place ranking out of the twelve teams in the league. Other members of the varsity team included sophomore Colin Snody, who was second in Wheat Ridge's rank next to Bart Brown, and seniors Smokey Torres and Lee Knoll. Junior Tom Snell was a major part of the varsity team's success this year, and he missed the state tournament by only one stroke. Mr. Wright said that Tom works very hard and he expects to see him again next year as a state qualifier. The Wheat Ridge golf players put in one hundred percent effort in all their practices and games, and although they were not state champions this year, with the continuation of hard work and dedication, next year could be even more successful. With this, the 1985 season ended on a positive note.

Although they got off to a slow start, the Wheat Ridge Farmers varsity basketball team always showed the fighting spirit of a good team. They battled to the finish against Columbine and Green Mountain early in the season only to suffer two heartbreaking losses. On the rebound, however, they triumphed over several teams beginning with Arvada West. The 1985-1986 varsity team was coached by Mr. Jim Ernst, who replaced Mr. Osse. One of the changes that Mr. Ernst made was that he refined the team's stack offense, the same type that he has been associated with since 1975. He feels, however, that the team's agressiveness on defense is its main strength on the court. He also points out that every game is a team effort, not an effort made by only one or two players. Matson, Jenny Jordan, and Kelly Crotty Forwards Kerry Dargen and Kristi Wilkinson played both J.V. and varsity. The girls did not have an outstanding record, but they learned to work together and to communicate well.

This year's varsity team consisted of senior guards Joan Young, Janet Harty, and Julie Stransky, senior forwards MariJo LaGuardia and Julie Goeglein, junior guards Michelle Randall and Ferretti, junior forward Shelly McLinden, and sophomore forward Monica Mathews. At midseason, they won six of their nine games with their new coach Debbie Spickler. Their wins included defeats over Pomona, Arvada West, Green Mountain, Golden, Smokey Hill, and Chatfield. Height was a problem with the team with only one player measuring over 5'9". Extensive work on rebounding and blocking out helped the girls overcome this handicap. An area the girls were extremely strong in was running and endurance, which helped them overcome their opponents in the last quarter of play. The team upholds the Wheat Ridge's tradition of producing outstanding girls' basketball teams and aspires to contend for the state title.

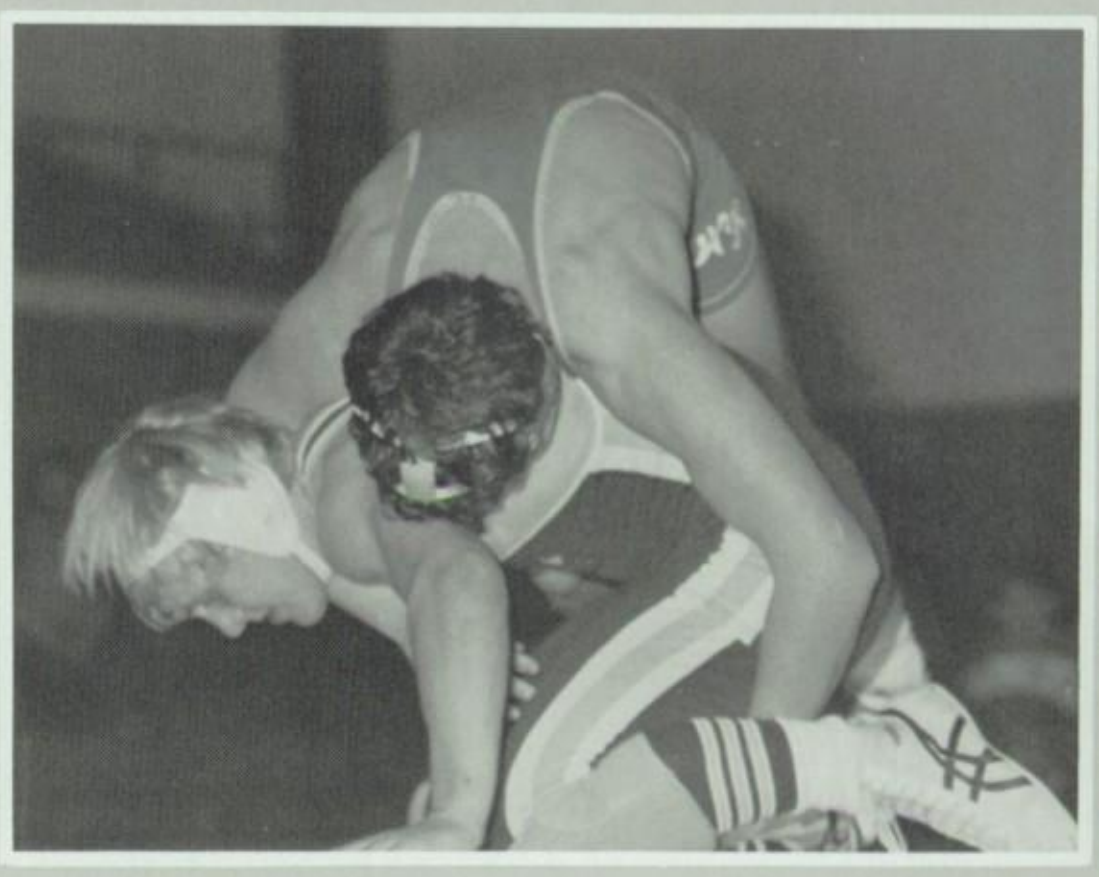
At midseason, the Wheat Ridge Wrestling team only lost two duel meets, and the outlook for the rest of the season seemed good. With the second loss of the season, the team gave up the hope of winning the league title but continued to strive for a third place finish at league. "The whole team is doing very well, but the seniors are outstanding" said Coach Kuttler. The seniors on the team included Bob Abeyta, Joel Darr, Ron Grapevine, Mike Mosley, Steve Progar, and Jeff Wilder. Although Steve Progar started wrestling during Christmas, he remained undefeated. Even though the league title was out of the wrestlers grasp, the coach felt that the district tournament was still wide open and the team still had a good chance of winning not only this meet but also placing high in the state championships. The captains of the wrestling team were Joel Darr and Jeff Wilder. Also helping the team onto victory were the three returning junior lettermen Tim Barlett, Bryan Fox, and Kent Grissom. Coach Kuttler expected this year to be good because they lost only three wrestlers from last year. The coach

thought that Pomona, Columbine, and Arvada West would be the only teams to give Wheat Ridge any problems. The wrestlers took care of Columbine 31-18 and Pomona 34-30, but could not overcome Arvada West and lost 17-30. Last year's district champion Arvada gave surprising trouble to Wheat Ridge in a match. Wheat Ridge lost 22-28. The other teams Wheat Ridge beat were Regis, Bear Creek, and Golden. Besides winning many duel matches, the team did well in the tournaments. According to Coach Kuttler, the team's greatest strengths were their family-like quality, which made it possible for them to stick together through thick and thin. This team effort added to the success of the team this season.

Life on the mat gives a different perspective.



Quick, the Abeyta Roll.

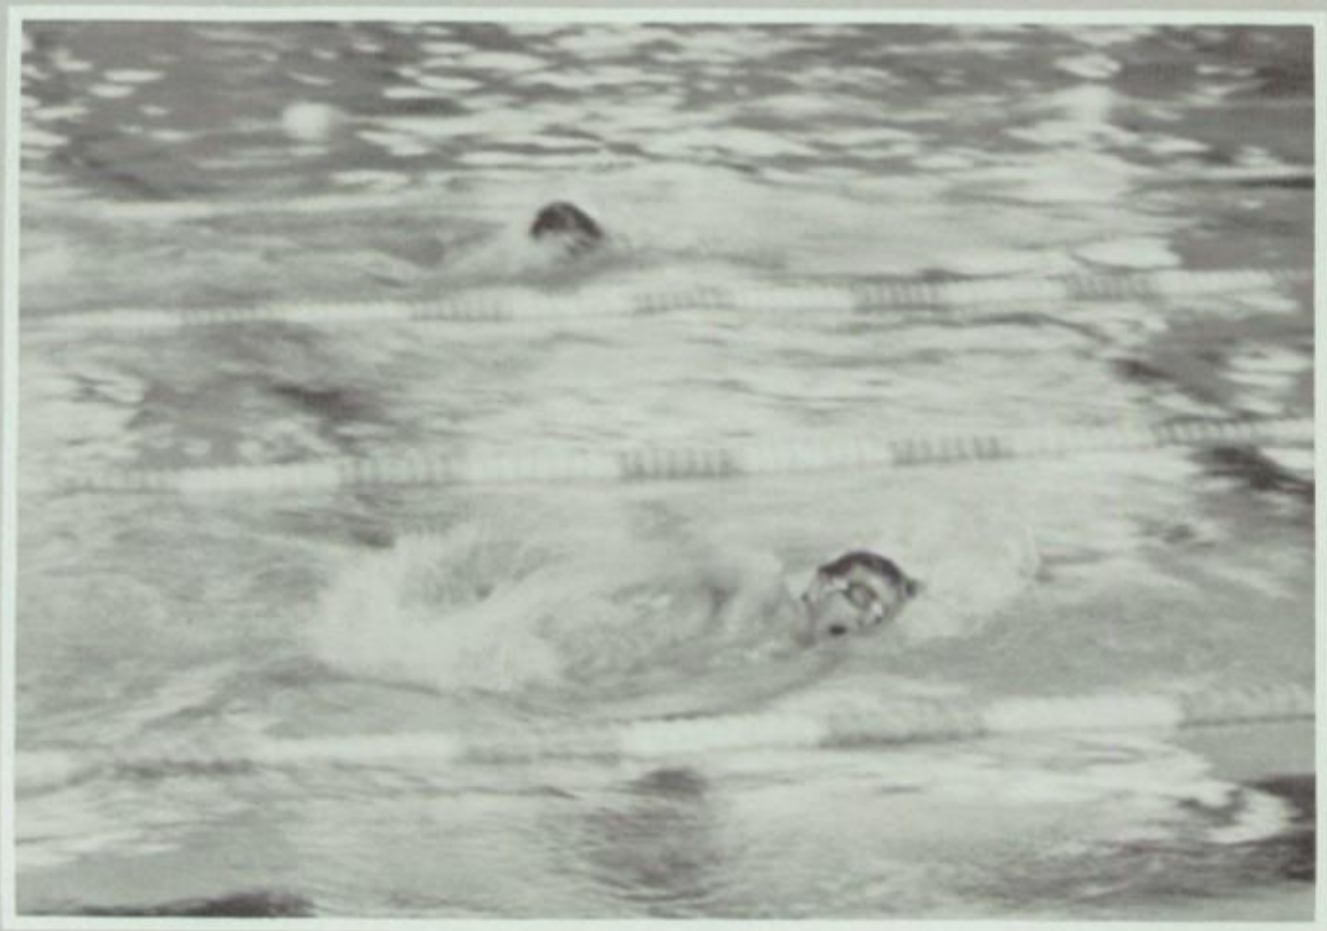
As the 1985-1986 boys' swim team began the season, they hoped for another league title and a top finish at state. This year, unlike many years in the past, the Wheat Ridge team consisted only of summer league swimmers. Although they did not have the luxury of having all-year-round swimmers, Coach G.Q. Collings still felt that this year's team was every bit as strong as last year's According to Collings, the depth was the strong point of the 1986 team. Even though the swim team will probably not take a first in an individual event at league, Wheat Ridge still has many swimmers who are capable of placing high in each event. Coach Collings expected solid performances from seniors Tim Luke, Tim Murphy, Chris Hirose, Scott Richman, and Arlie Huffman, juniors Matt Powell, and Bruce Casson, and sophomores Mark Clouatre, Mark Rand, and Clark Richman.

The prospect of taking league looked good at the beginning of the season. With only half of the team present, the Farmers still managed to beat

Arvada West, and the following week, they defeated Pomona. Wheat Ridge again won the Jeffco League Relays, leaving league rival Bear Creek frustrated. Bear Creek posted a threat at the Jeffco Invational, in which they placed second only to the more powerful Cherry Creek. Their unexpected strength came from explosive swims from year-round swimmers. Poor performances by the Farmers could have been due to a rough week of practice before the meet. "What we are really trying for is the league title," commented Collings. "This week will hopefully pay off big for us." But bad luck hit the team as potential top six qualifier Matt Powell injured his ankle in a freak accident. This made Collings modify his strategy somewhat, forcing him to swim people in events which they were not used to. Collings remained hopeful that Wheat Ridge's depth would be able to overcome the talent of Bear Creek's swimmers at league. Powell, however, made a rapid recovery and it looked as if he would be able to swim in league after all. But whether the Farmers would be able to take league for the fourth consecutive year, only the next four weeks would tell.



Scott and The Mouse have it out.

Sunrise . . . sunset. That's what this year's theme is all about. It reflects the beginning and the end of the year through the endsheets, opening and closing pages, dividers, and the color of pages. As the year progresses the pages become lighter in color. The sunrise-sunset theme shows the year as it progresses into the springtime.

I hope everyone enjoys this yearbook as much as I enjoyed working on it. Though deadlines and pages seemed to never end, the end result and Mrs. Jack's encouragement kept me going. I'd like to thank everyone who contributed to the yearbook because that's what makes it a yearbook for everyone to enjoy. All the editors did a super great job and I really appreciate them. I would especially like to thank two editors, Suzanne and Chris, who made a special effort and made my job a lot easier. Also, I'd like to thank Mrs. Jacks for all her help and support. She always lent a hand with anything you asked her to help with and really kept everything together. To Mrs. Belair, Mrs. Montague, and Neill --- thanks for putting up with me. Good luck next year, Traci. It's been an experience, but a worth while one. -Kathy

Dear Booze,

hi babe. Well you made it through another year at Farmerville. Glad you made it! I really miss being in school with you, but I am glad we are still besties as always! I know this summer is going to be THE BEST! We are going to have to go and see our future "Lovers" INXS - august 21 this summer. I'll be prepared to spend the night up at the Rocks - K - so plan on it! We've had a lot of Good times; I wish we would graduate at the same time. I am so glad for those. I wish we would graduate together, but just as long as you invite me to your class reunion, I promise I won't be too upset not grad. with you! Just think one more year up at Farmerville, I feel for you, but keep your chin up, but stay out of trouble - be good! But keep partying.

Love Ya,

Suzie

Suey-Doo,

Hey Man, Com. Art was a blast. But at this point it seems like a drag. I hope 20 or so years down the road you will Remember all the Hangman games we played together, and Someday you, me and Jerad will have to play again. Keep it cool.

Your forever bud, KERRY

(Fritzy-Loid)

Dusan,
Hey Bud lets
party. I do hope
you had as good of
a year as me. Davie
party to murder this
summer and people to
come to and make to reload
me to call. Haha
call me and we party
Love
you
Tim Hawley
